CVHS – The “Mall”**

*'GetCollegeFunding presents . . .'*

**College Funding Strategist and Columnist, Tom Bottorf  
will be speaking on the following topics:**

**\* \* \***

- What is the cost of college today? -
- Should children have money in their names? -
- What is Expected Family Contribution (EFC) and how is it calculated? -
- How is it decided WHO gets financial aid and HOW much they receive? -
- What assets impact financial aid and which ones are protected? -
- What are the best loan programs available for college? -
- Who gets subsidized loans (and who doesn't)? -
- What does it take to qualify for the Cal Grant? -
- What about families who qualify for NO financial aid? -

**\* \* \***

**These are some of the challenging questions facing many families with children preparing for college. Learn the correct answers - AND the process - that may help reduce the burden of your family's college costs!**
